

# THE SUPPORT REPORT

The PFW Campus Support Staff Advisory Committee (CSSAC) Newsletter

## Campus Safety Note from Captain Ryan Adamson

This would be a great time to remind individuals of a couple things.

Firstly, there has been an uptick in thefts and incidents of criminal mischief within our office premises and campus facilities. It is imperative that we all remain attentive and diligent in ensuring the security and safety of our work environment. We urge each one of you to make it a priority to lock all doors securely when not in use, and this might also serve as a timely reminder to conduct a review of access keys and individuals who have authorization to various areas within our premises.

Secondly, there has been a noticeable increase in fraudulent activities, particularly concerning scams targeting individuals across the United States. One prevalent example is the deceptive text message scams related to toll roads. We urge all of you to exercise caution and remain vigilant when receiving any communications requesting personal information or payment details. Always verify the authenticity of the source before disclosing any sensitive information. Remember the age-old adage, "If it seems too good to be true, it probably is," and if anything appears suspicious or out of the ordinary, it is likely a scam.

As always, please report any suspicious activity to the police department.

Ryan Adamson, Captain of Police Operations  
Purdue Fort Wayne Police Department, 260.481.6827

## Save the Date!

CSSAC and APSAC are hosting a Summer Resource Fair! Save the date to stop by and check out some of the campus and community resources available—plus eat snacks, get giveaways, and more! More details to be announced.

May 28th (Wed)  
3:00-6:00PM  
Skybridge

## Resource Highlight: Kids' Summer Camps

Looking for a camp or activity for your kids to do this summer? There are a variety of options right here at PFW!

No matter what your child is interested in (or what you want them to be focusing on), there's a PFW youth program for it. Subjects and activities include art, music, dance, physics, video game design, robotics, writing, liberal arts, a variety of sports, college prep, and more, and there are options for grades K-12.

See all the youth program options and how to sign your child up on the [PFW Youth Programs website](#).

## Benefit Breakdown: Carrum Health

Participants in Purdue's health plans have access to the Carrum Health Benefit. Carrum allows for expanded, enhanced coverage for certain planned surgeries and procedures performed by participating Centers for Excellence. By using Carrum's Centers for Excellence, which fall into Tier 1 under our health plan, participants gain greater access to specialized, high-quality providers who have been vetted by Carrum for their expertise.

- Spinal fusion surgery \*
- Bariatric surgery\*
- Hip and knee replacements\*
- Other orthopedic and spine procedures
- Cardiac surgery
- Oncology

*These three services are mandatory through Carrum—insurance will not cover them if Carrum is not involved with care.*

Carrum provides access to hospitals and surgeons for planned medical procedures and assists in coordinating care. Care Specialists with Carrum act as a "concierge", determining eligibility and assisting with delivery of care by coordinating travel and communication with participating providers.

For more information, [visit this webpage](#). To find participating providers, contact Carrum by phone at 1-888-855-7806, online at [info.carrumhealth.com/purdue/](http://info.carrumhealth.com/purdue/) or download the "Carrum Health" app on Android or Apple devices.
