

Question Time

I faced a situation this semester where I needed to lock the deadbolt on my classroom to keep out a non-enrolled student who was disrupting my class while we waited for campus police to arrive. The experience left me grateful that I had the option to flip a deadbolt and prevent a possible escalation of the scene. I know there are still many classrooms without deadbolts, unfortunately. When will Building Services complete the project of putting locks on all classrooms across campus? I've not been able to get an answer to this question through conventional routes.
