

Sigma Xi: The Scientific Research Society

presents

Jordan Marshall,

IPFW Department of Biology

The Merit of Native Plants in the Woods and the Garden

Wednesday, Feb. 23, 2011, 6:30-7:30 p.m

[Firefly Coffee House](#), 3523 North Anthony Blvd.

This topic will be presented in a

Science Café

format, as part of a series of events bringing science to the public in an informal setting.

Dr. Marshall will give a brief presentation on plant biology and gardening. The rest of the hour will be for questions and discussion.

The presentation is free and the public is specifically invited - no science background is assumed or required.
