

## Sigma Xi: The Scientific Research Society

presents

Gregory Jacobs,

TekVenture

### Making Our Future

Wednesday, November 30, 2011, 6:30-7:30 p.m.

[Firefly Coffee House](#), 3523 North Anthony Blvd.

This topic will be presented in a

### Science Café

format, as part of a series of events bringing science to the public in an informal setting.

Greg Jacobs from TekVenture will give a short presentation about this Fort Wayne-based organization that makes industrial technology available to the public for creative projects. Then the rest of the hour is for questions and group discussion.

The presentation is free and the public is specifically invited - no science background is assumed or required.
