RE: Bachelor of Arts in English with a Concentration in Language Arts

The Language Arts Concentration within the English B.A. at PFW is a 15 cr. hour Concentration designed for students pursuing the double-degree in English and Secondary Education. A collaboration between the Dept. of English and Linguistics and the School of Education, this Concentration builds on existing expertise of the English & Linguistics faculty while allowing students to concentrate on content that will enhance students' efforts at pre-professionalization. By allowing students to identify as a cohort within the English B.A., this Concentration enhances the students' content knowledge and, therefore, assessment opportunities mandated for the School of Education's accreditation.
