PREFACE

The Indiana University - Purdue University Fort Wayne Statistical Profile is intended to serve as a comprehensive resource about institutional facts and student characteristics. This is the twenty-sixth year of publication of the Statistical Profile.

Many people in various offices have contributed to the development of the information that is presented here. I want to express appreciation for all of their contributions.

Your comments and suggestions for improvement of future editions are always welcome.

Salaries do not include fringe benefits. Averages do not include deans, librarians, or administrative staff with faculty rank. Full-time faculty is defined as any faculty holding one of the above ranks with 0.5 or greater FTE. All positions equated to 1.0 FTE for salary computation. All salaries are stated as 10-month salaries. Adjustments have been made to reflect computation differences in converting IU or Purdue salaries from 12 to 10-month basis.
