

Machine Guarding Program Training Certification

After reviewing the training PowerPoint provided by PFW REM on Machine Guarding and reading the Purdue University Machine Guarding Safety Program, please complete and return a copy of this form to your supervisor or Designated Trained Individual (DTI). Training offered through Convergence Training addresses the practices and procedures necessary to work safely with and around machines. Topics covered include:

- How machines cause injuries
- How machine guarding helps reduce injuries
- Best practices when working with machine guarding

By signing below you acknowledge that you are aware of the Purdue Machine Guarding Safety Program. Your supervisor or DTI will provide additional information and training as appropriate.
