Visiting Fulbright Scholar Takes Opportunity to Learn about US, Teach about Pakistan

Shafaq Fatima projects competency, confidence, and the stature of someone who knows who she is and what she is accomplishing. However, that doesn't reveal how she gained her attitude and capabilities on a journey which has allowed her to build to this level of maturity.

Fatima's expertise in her field, validated in part through her achievement of a Fulbright grant, is visiting Purdue University Fort Wayne until March as an associate professor of zoology from Pakistan's Lahore College for Women University.
