# Lawn Games

## Bocce Ball

**Game Description** - In Bocce Ball, teams work to get their game balls as close to the target ball as possible. The scoring team receives one point for each of their balls that is closer to the jack than the closest ball of the other team.

## Corn Hole

**Game Description** - Corn hole is a lawn game where players or teams take turns throwing fabric beanbags at a raised, angled board with a hole in its far end. The goal of the game is to score points by either landing a bag on the board or putting a bag through the hole.

## Giant Checkers

**Game Description** - Checkers is a strategy board game for two players, which involve diagonal moves of uniform game pieces and mandatory captures by jumping over opponent pieces.

## Giant Chess

**Game Description** - Chess is a board game of strategic skill for two players, played on a checkered board. Each player begins the game with sixteen pieces that are moved and used to capture opposing pieces according to precise rules. The object is to put the opponent's king under a direct attack from which escape is impossible.

## Giant Connect 4

**Game Description** - Connect 4 is a two-player connection board game, in which the players choose a color and then take turns dropping colored tokens into a seven-column, six-row vertically suspended grid. The objective of the game is to be the first to form a horizontal, vertical, or diagonal line of four of one's own tokens.

# Lawn Games

## Giant Jenga

**Game Description** - In Jenga, players take turns removing one block at a time from a tower constructed of blocks. Each block removed is then placed on top of the tower, creating a progressively more unstable structure.
