A MESSAGE FROM THE DIRECTOR

Teaching is the most rewarding profession in the world, as well as the most challenging.

What part of your teaching practice do you most want to improve? Whether it's using assessment data to improve instruction or differentiating for diverse learners' needs, this program can help develop your expertise and take your skills to the next level.

What's keeping you awake at night? Whether it's federal education policy shifts or the struggle to engage parents in your classroom learning, this program can inform and enhance your macro- and micro-level education advocacy.

You are a teacher. You know your students, their families, and the communities you serve. Let your resume reflect your substantial expertise with a Master's of Science in Education. See you in class!

BENEFITS

ALIGN YOUR DEGREE WITH YOUR PROFESSIONAL GOALS

A master's degree in elementary or secondary education will enhance your teaching practice and your academic credentials. Become a leader among your peers.

- **Built for teachers by teachers.** Your Master's coursework will have you applying your learning through practical projects that you can use immediately in your classroom and school.
- **The next step in your career with the university you know and districts respect.** Establish or strengthen your connection to Fort Wayne's premier institution of higher learning. You can access campus resources and events, and walk the stage at graduation with your classmates, family, and friends cheering you on.
- **A supportive community of educators.** Get to know a group of professors and colleagues who are as committed to teaching and learning as you are, and understand both the joys and the challenges you experience every day. In this program, you are not alone.

LOCALLY FOCUSED, ACCESSIBLE TO WORKING TEACHERS

Students learn with and from professional educators in their region—mostly online. Our hybrid program allows students to get to know professors and classmates through a limited number of face-to-face meetings, but complete most classwork through online instruction and assignments.

Face-to-face meetings for the first year held on Saturdays, 8 a.m.–noon.

- Nine meetings from August to May
- Elective course meetings, if face-to-face or hybrid

THE PURDUE FORT WAYNE DIFFERENCE

Stand out with a graduate degree that enhances your qualifications through:

- Small class sizes
- Personal attention from dedicated faculty
- Course offerings designed for working adults
- Internationally recognized degree at a fraction of the cost

TRANSITION TO TEACHING OPTION

Fast, flexible program designed for students with a bachelor's degree who want to teach in Indiana.

- Elementary Transition to Teaching (24 credit hours)
- Secondary Transition to Teaching (18 credit hours)

"I chose to apply to Purdue Fort Wayne because I am a full-time teacher in Fort Wayne and want to earn my master's from a university that is close to where I work and live. I like to be close to the campus I attend. I also completed my undergrad at Purdue Fort Wayne and wanted to continue my work at the same campus."

STEPS TO APPLY

- **Application:** To begin your application create an account through the portal at pfw.edu/grad-apply. Applicants can make and save changes before submitting by logging in with the username and password used to create the account.
- **Application Fee:** The Graduate School application fee is \$60 (U.S. dollars) for domestic applicants and \$75 (U.S. dollars) for international applicants. Your application will not be processed until your nonrefundable application fee has been paid.
- **Transcripts:** Through the application portal, you must upload transcript(s) and/or academic document(s) for every institution of higher education you attended regardless of whether or not a degree was received. If a degree was received then it must be printed on the transcripts. If no degree conferral is printed on the transcripts then a copy of the original diploma (degree certificate) is needed. If the documents are not in English, you must upload an English translation certified by the college or university that issued it. All candidates must hold a four-year undergraduate degree or equivalent in any discipline from a recognized institution.
- **Diversity Statement (Essay):** Many graduate programs use the diversity essay as one criterion when determining recommendations for fellowships/funding. The diversity essay should be 500 words or less responding to the following statement: describe your leadership, work experience, service experience, or other significant involvement with racial, ethnic, socio-economic, or educational communities that have traditionally been underrepresented in higher education, and how these experiences would promote a diversity of views, experiences, and ideas in the pursuit of research, scholarship, and creative excellence.
- **Resume:** You must submit an updated copy of your resume with your application materials.

OFFICIAL TRANSCRIPTS

You must provide official transcripts and/or academic records at the request of the graduate program or if you are admitted and choose to enroll. An official transcript bears the original signature of the registrar and/or the original seal of the issuing institution. An unofficial transcript printed from your current/previous institution(s) student system is not an acceptable document. Official documents should be submitted to:

Purdue University Fort Wayne
Office of Graduate Studies
Doermer School of Business Room 304
2101 E. Coliseum Blvd.
Fort Wayne, IN 46805-1499, USA
graduate@pfw.edu

Domestic transcripts must be sent directly from a Registrar's office to the Office of Graduate Admissions via mail or email.
If you mail them yourself, it must be in an envelope sealed by the registrar
