### A. VOTING FACULTY

Voting faculty members, as defined in the <u>Constitution of the Faculty of Purdue Fort</u> <u>Wayne</u>, include tenured and tenure-track faculty, as well as all those who hold the rank of assistant, associate, or full clinical professor. Whereas visiting faculty do not have voting rights at the university-level or for university-level decisions, the School of Education maintains that our visiting faculty have voting rights for School-level decisions.

### B. EVALUATION OF TENURED & NON-TENURED FACULTY

Each faculty member is required to submit an annual report to their department chair as well as the Director. Guidelines and timelines are established by each department. Third-year reviews are required for all tenure-track faculty members in the SOE in conjunction with applicable department and senate guidelines and timelines.

### E. VOTING CLARIFICATION

Voting shall be done either electronically or face-to-face.

### F. SENATE APPORTIONMENT, ELECTION, & REPLACEMENT

In the School of Education each department is allotted at least one (1) Senate representative to be selected by the department, regardless of the number of voting faculty. If there are additional allotted Senators, then at-large Senate representatives would be elected from the voting faculty of the School in a process led by the Faculty Governance Committee.

A representative for each of the three (3) subcommittees for the Senate will be filled at the School level: Curriculum Review Subcommittee, Academic Computing and Information Technology Advisory Subcommittee, and Graduate Subcommittee. The Faculty Governance Committee will coordinate the election of the members on the three (3) subcommittees when vacancies occur.

All voting faculty may serve in the Senate or on Senate Subcommittees, with the exception of visiting faculty regardless of their rank as assistant, associate, or full clinical professor, per the <u>Constitution of the Faculty of Purdue Fort Wayne</u>.

# **III.** Promotion and Tenure

### A. POLICY & PROCEDURES FOR PROMOTION & TENURE

Promotion and tenure involves an evaluation of the evidence for faculty engagement across three main categories: teaching, research, and service. Candidates for tenure with promotion to Associate Professor must demonstrate excellence in either teaching or research, with competence in the remaining two categories. Candidates for promotion to Professor must demonstrate excellence in either teaching, research, or service, with competence in the remaining two categories. The School of Education has adopted the following procedures to guide candidates, departments, and the School through the process of Promotion and/or Tenure in compliance with the Purdue University Fort Wayne SD 14-36: *Procedures for Promotion and Tenure and Third Year Review*.

### **B.** PROMOTION & TENURE CASE PROCESS

Candidates seeking tenure and/or promotion must identify the Department Promotion and Tenure Criteria document that should be used to evaluate the case. The Departmental Promotion and Tenure Criteria used must have been in effect at some point during the six years preceding the submission of the case. The appointment letter of a faculty member to more than one academic unit shall identify that department whose tenure/promotion process shall apply to the appointee. The promotion and tenure criteria for each department shall be approved by the voting faculty in the respective department and approved by the School of Education, per SD 14-36. All cases for promotion and/or tenure shall pass sequentially through the decision levels below.

- 1. Candidate cases for promotion and/or tenure shall be considered at several levels in the following order (adapted from <u>SD 14-36</u>):
  - i. Department committee
  - ii. Chief academic officer of the department (i.e., Department Chair)
  - iii. School committee
  - iv. Chief academic officer of the School (i.e., Director)
  - v. Purdue Fort Wayne (Purdue FW) campus committee
  - vi. Chief academic officer of Purdue FW
  - vii. The chief administrative officer at Purdue FW shall forward recommendations to the President of Purdue University

- 2. No information, other than updates to items in the case, can be added to the case after the vote and recommendation from the department level. The intent is that each level will be reviewing the same case. Each decision level is responsible for determining if items submitted after a case has cleared the department committee should be included in the case or considered to be new evidence that should be excluded (adapted from SD 14-36).
  - Each decision level submits a letter of recommendation to the next level. Recommendations may not include attachments/supplemental information.
  - ii. The administrator or committee chair at each level shall inform the candidate in writing of the vote tally or recommendation on the nomination, with a clear and complete statement of the reasons therefor, at the time the case is sent forward to the next level.
    - 1. When the vote is not unanimous, a written statement stipulating the majority opinion and the minority opinion must be included.
    - 2. The candidate may submit a written response to the statement to the administrator or the committee chair within 7 calendar days of the date of the recommendation and the written response must proceed with the case.
    - 3. At the same time that the case is sent forward to the next level, the administrator or committee chair shall also send a copy of the recommendation and statements of reasons, and the candidate's response, if any, to administrators and committee chairs at the lower level(s).
  - iii. The deliberations of committees at all levels shall be strictly confidential, and only the chair may communicate a committee's decision to the candidate and to the next level. Within the confidential discussions of the committees, each member's vote on a case shall be openly declared. No abstentions or proxies are allowed. Committee members must be present, either in-person or virtually, during deliberations in order to vote.
- 3. The following rules shall apply for participation in the review process at any level (adapted from <u>SD 14-36</u>):
  - i. Only tenured faculty may serve as voting members of promotion and tenure committees for tenure-track candidates at any level.

- ii. Clinical professors and associate professors may serve as voting members for clinical candidates.
- iii. No person shall serve as a voting member of any committee during an academic year in which his or her nomination for promotion or tenure is under consideration, nor shall any individual make a recommendation on his or her own promotion or tenure nomination.
- iv. Individuals may serve and vote at the department level and one other level (i.e., either School or campus).
- v. The department level excepted, no individual shall serve in a voting or recommending role at more than one decision level. In order that this be accomplished, the campus committee shall be filled before School committees.
- vi. The Faculty Governance Committee of the School shall identify those individuals who are eligible to serve on the campus committee based on tenure status and prior service on a department P&T committee. Individuals who meet the minimum requirements shall be asked if they would like to have their names placed into consideration for the campus committee. A slate of interested individuals shall be developed and the School of Education voting faculty shall select two nominees. The nominees selected by the faculty shall be forwarded to the Office of Vice Chancellor for Academic Affairs for consideration.
- vii. Voting members of committees and chief academic officers shall recuse themselves from considering cases of candidates with whom they share significant credit for research or creative endeavor or other work which is a major part of the candidate's case or if they have other conflicts of interest. The committee will decide if committee members who collaborate with the candidate need to recuse themselves. The next highest administrator will decide if a chief academic officer who collaborated with the candidate needs to recuse her/himself.
- viii. Any committee member, at any level, who recuses her/himself shall leave the room during the discussion of that case.
  - ix. Chief academic officers who have written a letter of recommendation as part of the case will recuse themselves from discussion or vote on that candidate's case at a higher level.

- ii. Review the recommendation of the lower levels. This review shall include a consideration of the basis of the decisions from the lower levels.
  - 1. The "basis of the decisions" is understood to specifically mean departmental criteria, as it is the responsibility of the School committee to ensure that the decision made at the lower level accurately reflects those criteria.
    - a. Due to the diversity of fields within our School, it is vital that the School Committee follows the criteria of each department.

### 6. Third Year Review of Tenure-Track Faculty

It is in the best interest of PFW and the School of Education to see faculty succeed. One way to judge success for probationary faculty is to evaluate progress toward tenure and promotion at the midway point. Each department of the School of Education will develop, approve, and implement its own Third Year Review Process based on guidance in accordance with SD 14-36. Procedures must be explained in each department's policy document and approved by the School of Education. The following principles must be followed (adapted from SD 14-36: 5.1-5.6):
