

Question Time

In the spirit of the message that “transparency, honesty, and open dialogue will continue to serve us well” I was wondering (1) when exactly our Central Administration (henceforth, “CA”) learned about the proposed changes to the text of our diplomas; (2) what were the reasons that—as of October 2nd., when our students were already protesting—CA was still discussing the issue without having yet reached a conclusion; (3) why it therefore seems that it was effectively left to our students to defend and fight for our brand—a brand for whose development we purchased outside consulting and hired a full-time professional to market.
