Vandalism of Director's Office Door and
Online Harassment
During Fall 2016
(A Small Sample)

MEN, I WOULD LIKE . . . TO EXTEND YOUR
FORMAL INVITATION. **GENDER EQUALITY**
IS YOUR ISSUE, TOO. . . .

We don't often **talk** about men being **imprisoned** by **gender stereotypes**, but I can see that they are, and that when they are free, things will change for women as a natural consequence. If **men don't have to** be aggressive in order to be accepted, women won't feel compelled to be submissive. If **men don't have to** control, women won't have to be controlled.

Both men and women should feel **free** to be sensitive . . . to be strong. It is time that we all perceive **gender on a spectrum**, instead of two sets of opposing ideals. If we stop defining each other by what we are not, and start defining ourselves by who we are, **we can all be freer**

I want men to **take up this mantle** so that their daughters, sisters, and mothers can be **free from prejudice**, but also so that their sons have permission to be **vulnerable and human too**, reclaim those parts of themselves they abandoned, and in doing so, be a **more true and complete version of themselves**. --Emma Watson

Flash Party at the Women's Department at IPFW on the 15th! Bring food and your best disguise! Anonymous costumes+++ #USAP #Anonymous

I'm thinking tonight is another good night for some ice cream and adopting more cats!

I had so many of my CUCK's Cum inside me last night that i have to cross my legs or it might all spill out, I'm hoping that [redacted] eats me out!

Let US Learn! Absolutely nothing useful to a productive and logical career path that actually benefits humanity!

Do you ever get that disturbing feeling in your gut and start to question every decision you ever made... Oh well i better get back to the gentlemen's club so i can pay for this worthless degree.

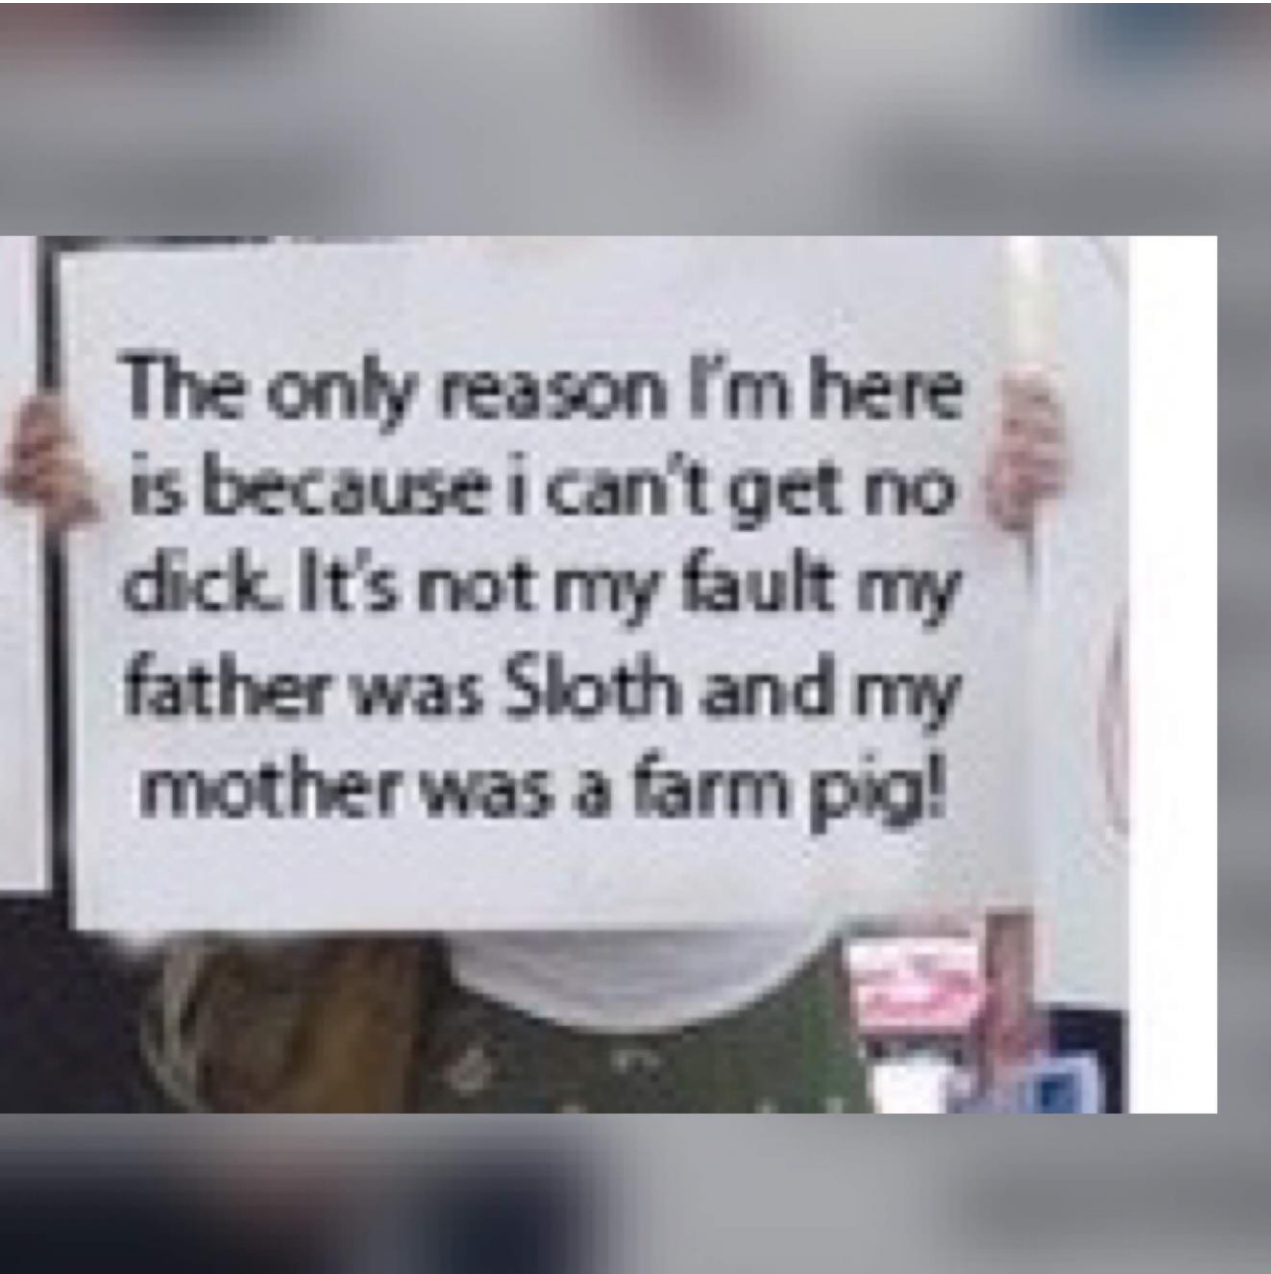

The only reason I'm here is because i can't get no dick. It's not my fault my father was Sloth and my mother was a farm pig!

A person is holding a white sign with black text. The sign reads: "The only reason I'm here is because i can't get no dick. It's not my fault my father was Sloth and my mother was a farm pig!". The person is wearing a white t-shirt and green pants. The background is blurred.

The only reason I'm here
