

MEMORANDUM

TO: Fort Wayne Senate
FROM: Executive Committee
DATE: August 16, 2021
SUBJ: Modality of Senate Meetings

The Constitution of the Faculty of Purdue University Fort Wayne empowers the Senate Executive Committee to determine the format of Senate meetings. The Senate Executive Committee has therefore determined the modality of Senate meetings for the 2021-22 academic year to be as follows:

All Senate Meetings will be held virtually in WebEx until the campus mask mandate is lifted. Once lifted, the modality of meetings will be reconsidered by the Executive Committee with consideration of a move to meeting face-to-face at the next reasonable meeting date.
