As Catalog production continues to proceed through its processes, it would be helpful if a representative from OAA could give a brief but clear presentation to Senate laying out in as simple terms as possible what role OAA plays in the overall process for the following scenarios, and how that role changes at different stages of the process:

- Changes to an existing course - undergrad and grad
- Changes to an existing program - undergrad and grad
- Proposal for a new course - undergrad and grad
- Proposal for a new program - undergrad and grad
