SUBJ: Facility for the fine arts

DISPOSITION: To the University Resources Policy Committee for direction

Whereas, The University Resources Policy Committee is currently preparing for the Senate resolutions concerning a facility for the fine arts; and

Whereas, It is appropriate that the Senate provide some guidelines to the Committee concerning the general character and organization of these resolutions;

Be it therefore resolved, That the Committee address the following concerns in separate proposals:

1. The location of the facility, paying due regard to the preference expressed for its placement on the Coliseum Boulevard campus;
2. The funding of the facility, paying due regard to the need for an early start on construction and the insufficiency of funds provided by the General Assembly; and
3. The precedent established by the General Assembly in its funding formula for this facility, paying due regard to its past support for this campus.
