

TO: Fort Wayne Senate

FROM: Elaine Cowen and Linda Graham, Department of Nursing, and Dennis Cannon, Department of Psychological Sciences

DATE: September 18, 1987

SUBJECT: AIDS Awareness Week

DISPOSITION: To the Presiding Officer for implementation

WHEREAS, Acquired Immune Deficiency Syndrome (AIDS) and Aids Related Complex (ARC) are significant health problems, and have major social implications for persons with AIDS and their families and loved ones, and

WHEREAS, With no immunization or cure in the near future, education is the best hope to reduce the spread of AIDS and ARC, and

WHEREAS, Educational institutions are ideally suited to lead the effort to inform the public on these issues,

RESOLVED, That the Senate declare the week of October 26 to November 1, 1987, as "AIDS Awareness Week" on the IPFW campus.
