

**TO:** The Senate

**FROM:** The Rules Committee

**DATE:** March 16, 1989

**RE:** Amendments to the Bylaws of the Fort Wayne Senate  
(Titles of certain IPFW officers.)

**DISPOSITION:** To the Secretary of the Senate and the Presiding  
Officer.

(The Senate's recent amendments of the bylaws have established the use of the titles "Chief Administrative Officer" and "Chief Academic Officer", etc., which avoid the need for amendments whenever the titles of those positions are changed. While these names have been extensively used throughout the bylaws, a few exceptions remain. The effect of this resolution will be to clarify the bylaws through uniformity of text.)

That the bylaws be amended by substituting "Chief Administrative Officer"; "Chief Academic Officer"; "Chief Admissions Officer"; etc., for other titles which have from time to time been applied to these positions, wherever such other titles appear.
