SUBJECT: Proposed amendment to the IPFW Academic Regulations and Procedures (SD 85-18) - change in rules relating to the re-entry of students after prolonged absence

Be It Resolved, That the IPFW Academic Regulations and Procedures (SD 85-18) be amended by the addition of new section 2.4 as shown below:

2.4 Application of credit for students who re-enter IPFW.
At the time a student is accepted for campus transfer, re-entry, or readmission after not having attended IPFW or any other campus of Indiana University or Purdue University for five or more calendar years, the IPFW academic unit by which the student is accepted may report to the Registrar each GPA-applicable course on the student's academic record in which the grade earned cannot be counted toward graduation or degree credits because it is considered to be of less than passing quality.

As recommended by the student's academic unit, the Registrar will exclude grades earned in these courses from the calculation of the student's graduation GPA. However, both these courses and the grades earned therein will remain on the student's academic record.

This option can be employed only once per student, and an appropriate notation of this transaction shall be made on the student's academic record.
