

Resolved, That the Educational Policy Committee be charged with studying IPFW's relationship with the Indiana Partnership for Statewide Education (IPSE), with special foci on the following items:

- Faculty control of IPSE course content and quality
- Acceptability of IPSE course credit and grades
- Status of IPFW as a "home institution" and as an "originating institution" for IPSE students and courses; and

Resolved, That the Educational Policy Committee report the results of its study, along with any recommendations arising therefrom, no later than the October 1995 meeting of the Fort Wayne Senate.
