Subject: Amendment to the academic regulations (Senate Document SD 85-18)-  
Redefinition of W grade

**Whereas**, Administrative action has traditionally allowed W grades to be assigned to students who, after the fourth week of classes, have not paid fees; and

**Whereas**, A partial-payment option scheduled for future implementation may increase the number of W grades administratively assigned for nonpayment of fees;

**Resolved**, That the definition of the W grade in Section 6.2 of the academic regulations be amended by adding the boldfaced words below.

6.2 Semester grades. The following grades may be assigned:

/senate-dev .

W - Withdrew; a record of the fact that the student officially withdrew from (dropped) a course **or was administratively withdrawn from a course for nonpayment of fees** after the end of the fourth week
