[document](#) on "Funding for the 1997-1999 biennium" at its meeting on December 2, 1996. The original document was submitted to URPC by the Budgetary Affairs Subcommittee for consideration. The URPC made one amendment to the document: to delete the last paragraph of the document as indicated below and to replace it with the text in bold. The new paragraph was agreed to unanimously by the members in attendance (8 approving and 0 disapproving).

~~The IPFW Faculty Senate requests Purdue University West Lafayette administrators, in consultation with the IPFW administration, to immediately develop a plan for remedying this severe underfunding and further, that the IPFW Senate receive a report on this plan as soon as possible but no later than January 15, 1997.~~

The Fort Wayne Senate recommends that the IPFW administration work with Purdue University West Lafayette administrators to develop a strategic approach to solve the long-term problem of underfunding at the Fort Wayne Campus.

With this change the URPC recommends the approval of the attached document.
