MEMORANDUM

To: Fort Wayne Senate

From: Educational Policy Committee, Linda Wright-Bower, Chair

Subject: Amendment of the Academic Regulations (SD 85-18): Transfer Credit

Date: March 17, 1999

Disposition: To the Presiding Officer for implementation

Whereas, the Fort Wayne Senate has previously approved awarding of plus and minus grades, and recognized that this change is expected to require some time for implementation; and

Whereas, the change proposed in this resolution would be implemented at the same time as the change to allow awarding of plus and minus grades;

Be it Resolved, Senate Document 85-18 (Academic Regulations) be amended as follows, with strike-out language removed.

1.2.2 Transfer credit: nonresident credit. Transfer credits for a student entering IPFW from outside the student's university system shall be evaluated by the admissions office and accepted as transfer credit if completed at a regionally accredited institution with a grade of C or better. ~~Designations of plus and minus that accompany these grades shall be disregarded in the evaluation of this credit.~~

Credit accepted as transfer credit shall be equated to IPFW course numbers (or included as an undistributed entry) and posted to the student's academic record at the time of matriculation or re-entry to IPFW. The academic-record entry shall include the name of the transfer institution, the years of attendance, and the individual courses accepted for transfer. The course-equation process is subject to adjustment upon request by the student's department chair/dean/division director, and the department/school/division determines the applicability to a student's plan of study of credit earned at other institutions and accepted by IPFW.
