RE: OAA Document Regarding Continuing Lecturers

The Executive Committee met on December 16, 2002 and approved the following motion regarding what to do with the OAA Document on Continuing Lecturers which you submitted to us.

The Faculty Affairs Committee should vote on whether they wish to submit the OAA Document on Continuing Lecturers to the Senate as an action item or an “information-only” item. Alternatively, any member of the Senate may submit a report directly to Senate under “The general good and welfare of the University.”
