

Question Time

Per Senate Document SD 06-09, which requires the Faculty Affairs Committee to send questions concerning faculty salary increment distribution to the administration:

1. Of the 1% faculty increment monies retained by the central administration for special merit and compression, what percentage of those monies were given for each?
2. What was the range of monetary awards for each category?
3. How many faculty received special merit monies, compression monies or both?
4. Was any consideration given in the allocation decisions to balance recipients by colleges, the number of faculty in each college, or the number of faculty recommended by each Dean?
