

In Memoriam

Diane Davis

February 7, 2014

Diane was a member of the Accounting and Finance Department, and was known by her students and her colleagues as a wonderful and caring teacher who would go the extra mile and fight the extra fight for her students. She was a giving colleague who served on many university, school and department committees. Diane served IPFW for 28 years. She had degrees from Ball State and Saint Francis and she was licensed in Indiana as a CPA. She retired from IPFW in 1996 as an Assistant Professor Emeritus of Accounting.

Diane held a once a year, end of semester, “square dance” for department faculty and friends each year in her garage where fun and camaraderie was the emphasis of the night.

Diane is survived by her husband Paul and her two daughters, Capri and Gwen.
