SUBJECT: Ad-hoc membership on the Continuing Education Advisory Subcommittee
DISPOSITION: For information only

Section 5.3.3.3 of the Bylaws of the Senate (SD 81-10) provides that the Executive Director of Continuing Education shall serve, ex officio, on the Continuing Education Advisory Subcommittee. No one is scheduled to have that title during the current academic year. The Rules Committee has therefore recommended that Wade Fredrick, who holds the title of Assistant Director of Community Outreach, and who has assumed responsibility for the day-to-day operations of continuing education, serve this year as the ex-officio member of the Continuing Education Advisory Subcommittee.
