MEMORANDUM

TO: Tom Harris
Student Body President

FROM: James Haw, Chairman
Educational Policy Committee

DATE: January 23, 1984

SUBJECT: Study Groups

The Educational Policy Committee has considered your letter of December 5 concerning the Students' Government's plan for the formation of study groups for interested students in IPFW classes. The committee unanimously endorses this concept and commends it to faculty and students. We believe that it can be of value, and we commend the Students' Government's initiative in developing this idea.

This memorandum will be included with the February Senate agenda for the information of the faculty.
