The Rules Committee is pleased to transmit the following document to the Fort Wayne Senate.

INDIANA UNIVERSITY
PURDUE UNIVERSITY
AT FORT WAYNE

Office of the Chancellor
(219) 481-6004

MEMORANDUM

TO: S. Hollander, Chair
Rules Committee

FROM: Joanne B. Lantz, Chancellor

DATE: June 1, 1992

SUBJECT: Administrative understanding concerning Graduate Aides

For fiscal reasons, graduate-student instructional personnel at IPFW will be given the new title Graduate Aide effective with the 1992-93 academic year. Heretofore, such employees were called Graduate Assistants (when employed in a Purdue mission area) or Assistant Instructors (when employed in an Indiana mission area).

Use of the new title is not intended to affect nonfiscal conditions of employment. In all things except the setting of compensation, the IPFW administration will therefore apply to Graduate Aides the appropriate university and Fort Wayne Senate policies written for Purdue Graduate Assistants and Indiana Assistant Instructors.
