

QUESTION TIME

1. Using the most recent year of available data, what proportion of total scholarships/fellowships expenditures were used for academic scholarships and what proportion were used for athletic scholarships? Is this ratio expected to change with full implementation of the Division I plan? If so, how?
2. What are auxiliary enterprises? Are these expenditures self-supporting endeavors? Explain.
3. Can the Chancellor tell us whether Purdue University-West Lafayette will now be willing to extend the University's protection, specifically, to persons in regard to sexual orientation?

These questions have come from the Agenda Committee.
