

To: Fort Wayne Senate

From: William G. Frederick  
Presiding Officer

Subj: SIS Shared Users' Group [Report](#)

Date: October 23, 1996

In compliance with the Bylaws of the [Fort Wayne] Senate (6.0 Other Committees), I am providing, for information only, a combined initial and progress report from the SIS Shared Users' Group. I was appointed, along with William G. Ludwin, as a voting member of this committee, representing the IPFW faculty, by the Vice Chancellor for Academic Affairs in the Summer of 1996.

In accordance with representation of faculty constituencies on this committee, I welcome feedback about the Student Information System and program development requests from individual faculty, academic units and committees of the Senate.
