

To: IPFW Senate
From: Margit Codispoti, Chair
Curriculum Review Subcommittee
Date: May 4, 1998
Re: Proposal to change the title of the *Certificate in Quality Control* to *Certificate in Quality* -
For Information Only

The Curriculum Review Subcommittee has voted to inform the Senate that the name change from Certificate in Quality Control to Certificate in Quality in the Department of Manufacturing Technology requires no Senate review.

Subject: Certificate in Quality Control

The Department of Manufacturing Engineering Technology has proposed changing the name of this program

From: Certificate in Quality Control

To: Certificate in Quality

The School of Engineering, Technology, and Computer Science has also, indirectly, approved the change and does want the change to be made.

Please ask the Curriculum Review Subcommittee to review and endorse the change.
