(Question deferred until 12/10/2007)

Question Time

Please give an analysis of S&E funds provided to academic departments in each of the 15 years since 1992. Limit yourself to academic departments already existing at the start of the analysis period. Do not include S&E funds provided to nonacademic services, administration or academic programs/departments started since 1992.

Anne Argast,

Department of Geosciences
