

TO: Fort Wayne Faculty Senate

FROM: Purdue University Committee on
Institutional Affairs

SUBJECT: Amendments to sections C.1.b.(2), (3c), and (4) of the
Bylaws of the Senate (SD 81-10)

DATE: April 5, 1982

BE IT RESOLVED, that sections C.1.b.(2), (3c), and (4) of the Bylaws of the Senate (SD 81-10) be amended to read as follows:

- C.1.b(2) Sabbaticals Subcommittee. The Sabbaticals Subcommittee shall consist of five Faculty members of Purdue University affiliation. That Faculty shall nominate and elect the Subcommittee members to two-year terms which are to begin in the fall following their election in the spring. The Sabbatical Subcommittee shall advise the administration concerning the awarding of sabbatical leaves to Purdue University Faculty.
- C.1.b.(3c) Panel D shall consist of the Chancellor as nonvoting chair, the Vice Chancellor and Dean of the Faculty, the Provost of Purdue University, the Dean of the Purdue Graduate School, the Dean of the School of Science and Humanities, the Dean of the School of Engineering, Technology, and Nursing, and two tenured (full) professors from each of the Schools of Science and Humanities, and Engineering, Technology, and Nursing, appointed by the Chancellor, from a list of at least three from each school, submitted to the Chancellor by the Purdue University Committee on Institutional Affairs. If the Chancellor is not prepared to select all four Faculty representatives from the list of six, the Chancellor is obligated to meet with the Purdue University Committee on Institutional Affairs and further consult before making the ultimate selections. Because of the limited number of (full) professors on the campus, Panel D shall be designated prior to the formation of the Area Subcommittees.
- C.1.b(4) Campus Appeals Board. The three Faculty members and three alternate Faculty members of the Campus Appeals Board shall, in accordance with the Purdue University "Regulations Governing Student Conduct, Disciplinary Proceedings, and Appeals," be elected by the Senators of Purdue University affiliation. Faculty terms on this Board shall begin on June 1, and shall end two years later; no faculty member may serve more than two consecutive terms.
