## FAFSA 2025–26: Take Advantage Now of the Much-Improved Experience

With the fall semester coming to a close in the next few weeks, it's already time to start preparing for the next school year. One of the most important steps is to fill out the Free Application for Federal Student Aid, or FAFSA, while you are hitting the reset button over winter break. It's a perfect time to check this important box.

Completing the FAFSA is the only way to secure your financial aid for the 2025–26 academic year, and the new form is already accessible online at [studentaid.gov](https://studentaid.gov) or via our [financial aid website](#). We encourage you to complete it as soon as possible to maximize your opportunities for financial assistance!

Here's what you need to do:

- **Complete Your FAFSA Online:** Visit [studentaid.gov](https://studentaid.gov) to begin.
- **Add Purdue Fort Wayne's School Code:** Make sure to include our school code—**001828**—to ensure your application is sent to us.

### Attend a FAFSA Completion Event

The Office of Financial Aid is hosting a new round of FAFSA Completion Events beginning this afternoon. Financial aid team members will be there to guide you through the application process. These events are designed to make completing your FAFSA stress-free and straightforward. [Click here](#) to sign up for personal assistance at a specific date and time.

If you have questions or concerns about the FAFSA, or financial aid in general, don't hesitate to reach out to our Office of Financial Aid at [finaid@pfw.edu](mailto:finaid@pfw.edu) or call 260-481-6820.

Take charge of your financial future—submit your FAFSA today!
