"The Ed Leadership program used effective tools to help me really understand the context I would be in when I graduated. It was challenging and rigorous, which is exactly what I was looking for. The reflection on practice that was modeled in the program helps me to be the best leader I can be. The professional doors flew open once I finished."

Ingrid Laidroo-Martin

"The Educational Leadership program at Purdue Fort Wayne was instrumental in growing me as an educational leader. Not only did it help grow my leadership skills, it afforded me the opportunity to reflect on my vision of leadership and who I am as a leader. It also provided focus for my next steps in my career in education and opportunities to begin making changes in the lives of the students I was already teaching."
