READ BEFORE COMPLETING THIS FORM

Your 2025-2026 Free Application for Federal Student Aid (FAFSA) was selected for a review process called verification. The law states that before awarding Federal Student Aid, we must confirm the information reported on your FAFSA. To verify that accurate information was provided, the financial aid office will compare your FAFSA with information collected on this worksheet and other required documents. If there are differences, your FAFSA information may need to be updated and your financial aid would be adjusted accordingly.

Please monitor your PFW student email for any communication regarding this process. If further information is needed, and/or after the verification is complete, you will be notified through your PFW student email.

You must complete and sign this worksheet in BLUE or BLACK INK and attach all required documents. Financial aid awards cannot be disbursed until the verification process is complete. Incomplete submissions will NOT be processed which may result in the reduction or cancellation of financial aid awards causing a balance with PFW which you would be responsible to pay.
