

Question Time

As the university undergoes cuts and financial challenges, could the Administration kindly clarify the status of our affairs, particularly:

1. What is the budgetary shortfall during the 2023-2024 academic year?
2. What are the factors that caused this shortfall? Could you ascertain if and how Athletics' expenditures have contributed to this outcome?
3. How has this affected filling faculty lines, decreasing travel (and departmental?) budgets, and suspending or cancelling minors?
4. In light of the above, could the administration offer insights on whether or not some administrators received new titles and if such promotions were matched with salary increases?
5. If indeed the University is under a budgetary shortfall, how does the administration reconcile overspending, administrative raises (if so), and the future of our institution and its quality education under dire circumstances?
